Fresh Charges of Embezzlement.

Honolulu, Dec. 7.—After remaining out twenty minutes, the trial
jury in the embezzlement case against Stephen Mahaula returned a ver-
dict of not guilty. The indictment charged Mahaula with embezzling
money paid to him as clerk of the Public Land Commissioner, viz: \$925
paid in by Mrs. Clark and \$4500 by the Waiuanue Company. The de-
falcations were held chargeable to Boyd, who while on the stand did not
favorably impress the jury.

Yesterday afternoon the grand jury returned a batch of indictments,
three charges of extortion being brought against Chas. F. Chillings-
worth, former deputy sheriff, who it is alleged, together with liveryman

The President's Message.

Washington, D. C., Dec. 6.—President Roosevelt's message was read
in both Houses of Congress today. The President advocates liberal
appropriations and warns Congress against extravagance. On capital
and labor he claims that both are entitled to equal protection and both
must obey the laws. He holds that the National Government should
control the great corporations and that railroad rebates must stop. Agri-
culture, irrigation and forestry should be promoted by every means pos-
sible and the message is strong on the needed improvement in the Con-
sular service. A national quarantine law is deemed desirable. On the
financial question the President holds that silver should be redeemable
in gold. He favors the advancement of the merchant marine, develop-
ment of Oriental markets, regulation of immigration, revision of the
naturalization and citizenship laws, protection of the purity of the ballot,
an Alaskan Delegate, a peaceful foreign policy, an efficient army and
navy, international arbitration protection of Americans abroad, continu-
ance of the present policy with lower tariff rates for the Philippines.
Dealing with Hawaii the President recommends that the Governor be

Dedication of Mooheau Hall.

The Hilo Park Commission, consisting of Chairman E. E. Richards,
L. Turner, Dr. J. Holland and Admiral Beckley, met Thursday even-
ing and have outlined a program for the dedicatory exercises of Mooheau
Pavilion on Monday, January 2d. Admiral Beckley will be the prin-
cipal speaker of the day and Miss Jaunita Beckley will christen the
edifice with a bottle of champagne. Two mammoth flags will be raised
while the band plays "Hail to the Chief." "Mooheau" Beckley will
take an important part in the ceremony of flag-raising. No one will be
permitted to enter the structure until after the breaking of the bottle,
when the Admiral and party and committee on arrangements will as-
cend the stairs, and Rev. S. L. Desha will deliver a prayer. Rev. C. E.
Shields will probably respond to the Admiral's dedicatory speech. The
Hilo Band will render several selections, one of which will be "Mooheau
March" composed by Professor Carvalho especially for the occasion.
The morning exercises will begin at 10 o'clock, and as the races are
scheduled at Mooheau Park for the afternoon, the final celebration will
be in the form of a grand ball within the Pavilion, beginning at 7:30
o'clock in the evening. The Admiral has decided that it shall not be a
card affair, but a ball to which the public are invited. During the day,
at an hour not yet set, there will be an auto parade under the super-
vision of Admiral Beckley, and prizes will be given to the best decorated
vehicle. In the cavalcade will be paau ladies, riding astride and in the
flowing garb of former Hawaiian days. No expense will be spared to
make the day an occasion to be remembered.
